

# Inflammatory Bowel Disease Patient Education Conference Advances in IBD 2010 Saturday, April 17, 2010

Kalyn Keller is a 2004 Olympian and NCAA swimming champion. She owned American, NCAA and records at USC before Crohn's Disease ended her athletic career. Kalyn's competitive focus and tireless dedication came into play as she rebuilt her life and the lives of others living with Crohn's. Join us as Kayln shares her story, "The tests of life are not meant to break you, but to make you."
